Each committee shall not exceed 5% of the total eligible county convention delegates. Appointments to committees will be made not later than thirty (30) days prior to the convention. - 1.6. A list of Convention Committee members shall be posted to the O'ahu County Democrats (OCD) website as they are appointed/confirmed.

2. Committee Meeting Rules

2.1. **Schedule for Committee Meetings:** Committee meetings shall take place no later than seven (7) days before the convention. Early committee meetings are encouraged.

2.2. Notification, Access and Sign-in Protocols:

2.2.1. The designated presiding officer, one of the appointed committee Co-Chairs, of each Convention Committee shall notify committee members at least five (5) days in advance of the first committee meeting. If extended meetings are necessary to complete the work of the committee, such meetings will be at the call of the committee's presiding officer. Meeting notifications will include the date and time for the meeting and the zoom link.

2.2.2. Voting members will access the respective committee meetings via the OCC zoom account with a computer or other internet enabled device using the login link (URL) provided in the call of the meeting which will include the meeting ID and password. Except for the parliamentarian, access by non-voting attendees (guests) will be limited to sign in via the meeting's call in number.

2.2.3. Prior to the meeting at which a proposal is to be considered or other action by the committee, the meeting date, time, and location will be posted to the OCD website. The notice shall also contain an invitation to contact the respective committee's presiding officer or their designee for copies of documents.

2.2.4. Sign-in Protocols.

2.2.4.1. Voting convention committee members must sign into the zoom meeting with their legal first and last names; phone numbers or fictional names are not permitted. Authorized voting committee members will rename themselves by including the initials "VM" in front of their name. Instructions for doing this will be provided by the committee's presiding officer or their designee. The presiding officer or committee secretary will check these designations against the official list of designated voting members that were appointed by the OCC Chairperson. Only those on this list will have the designation of VM which means "Voting Member". Voting committee members who call in will have their attendance (name) recorded by the scribe.

2.2.4.2. Guests will sign in via the meeting's call in number. Their attendance (name) will be recorded by the scribe.

2.2.4.3. All attendees are expected to sign into zoom at least 15 minutes prior to the scheduled committee start time, unless an earlier time is established by the committee's presiding officer. Attendees must test their webcam, speaker, and microphone functionality immediately after signing in.

2.2.4.4. Voting committee members are expected to open and maintain the "participants" window open throughout the meeting.

2.2.5. Connectivity.

2.2.5.1. Each attendee is responsible for their own connection to the Internet and teleconference; no action will be invalidated on the grounds that the loss of, or poor quality of, any attendee's individual connection prevented their participation in the meeting provided that at least a quorum of voting members was connected and any required voting threshold was achieved.

2.2.5.2. All those participating by teleconference and are using cell phones will ensure they are in an area with strong signal and good reception. If a call is dropped, it shall be the responsibility of the member or members who are participating by ZOOM or other means to call back in.

2.2.5.3. All those participating by videoconference will ensure they have a strong internet connection. If the video goes out during the meeting but teleconference does not that will not constitute as a disruption and the meeting will continue.

2.2.5.4. Appointed members participating by teleconference or videoconference who leave the meeting prior to the end of the meeting must inform the presiding officer of their departure. A member who must leave may interrupt to inform the presiding officer, but may not interrupt any member who is speaking. As an alternative, the committee member may use the "chat" box to inform the presiding officer of their departure.

2.2.5.5. Interference and Noise. Attendees must mute their microphone when not speaking to avoid interference and unintended background noise. The presiding officer, after one warning, may order the muting or disconnecting of any attendee causing undue interference. The Co-Chair's decision will be announced.

2.3. Quorum:

2.3.1. A quorum of the Rules, Resolutions and Platform Committees shall be a majority of the number of appointed committee members, i.e., one more than half of the number of appointed members. No voting may take place at a meeting without quorum.

2.4. Convention Resolutions, Platform, and Rules Committees shall have the power to format, edit, combine resolutions of similar substance, and make substantive amendments that do not alter the intent of any amendments to the Platform and Rules, and resolving clauses of resolutions.

2.5.5. Appointed members of the committees may speak twice to each question for no more than three minutes per speech. The presiding officer may terminate debate on any proposal after three speakers in favor of the proposal and three speakers opposed to the proposal have discussed the proposal. The presiding officer or their designee, may mute the microphone if any attendee neglects to do so after speaking.

- 2.5.6. - 2.5.7. Priority in debate shall be given to voting members of the committee.
- 2.5.8. Since time for committee meetings may be limited, the committee may adopt further limitations on debate by 2/3 vote of the appointed committee members present and voting.
- 2.5.9. Decorum. Decorum is described in *Robert's Rules of Order* as well as in OCC Special and Standing Rules #24 and 25. Personal attacks, vulgarity, or offensive language can result in loss of debate privileges. Likewise, it is a breach of decorum to use zoom comment icons (e.g., thumbs up, thumbs down, hands clapping, check mark, x, etc.) in debate. Visual decorum will also be required; any vulgar or offensive image or video is prohibited. Such breaches of decorum shall be cause for muting or an immediate disconnection by the presiding officer from the meeting. The committees presiding officer's disconnection of an attendee will be announced and recorded in the minutes.
- 2.5.10. Use of Chat Box. The chat box is restricted to voting members and the parliamentarian. It may only be used to:
